Our QUINTA AVENIDA, inspired by the popular *Quinta Avenida* of Playa del Carmen, is the heart of our resort, harboring a great variety of innovative restaurants, bars and stores. Two large pools in different areas of the hotel, one of them destined to those who look for relaxation while the other offers a great variety of activities and fun for the whole family.

Local attractions include tours to Isla Mujeres and Holbox Island. For those interested in Mayan culture we recommend a visit to the Mayan Museum and the archeological site "El Rey", both located in Cancun hotel zone.
