

Be a Guest of Your
Present Moment.

Own the Now.

Nestled on the Caribbean shores of Tulum, our boutique hotel is a sanctuary where luxury seamlessly merges with nature. The architecture and design at BE Tulum are masterfully crafted to accentuate the innate beauty of its surroundings, and our spa and wellness programs are thoughtfully tailored to refine and rejuvenate, offering a gateway to transformative health.

Our Essence.

The ultimate destination for those seeking luxurious accommodations and space to reconnect to the present moment, BE Tulum is committed to holistic well-being and sensory delight, helping guests connect with their surroundings and delight in a journey of self-discovery, facilitated by the curation of top-tier services.

BE Tulum Rooms.

Our design philosophy focuses on creating spaces that blend seamlessly with nature, using organic elements and incorporating sustainable practices in its 64 exclusive suites, where our hospitality artisans attend to guests' every need.
