

NÔMADE  
TULUM

THE MEETING POINT OF THOSE  
WHOSE JOURNEY NEVER ENDS.

## THE JOY OF HEALING ROOTED IN NÔMADE CULTURE.

Embark on an immersive journey with Nômade, where culture, self-discovery, celebration, and profound connections converge in an experience that fundamentally redefines the very core of travel.

## OUR ESSENCE

Nômade Tulum is located at the southern tip of the Riviera Maya, on a stretch of white sand and turquoise water bordering the dense jungle of the Yucatan Peninsula. Today, this rugged and pristine coastal region is home to some of Mexico's best-preserved ruins, mystical cenotes, underwater caves and the Sian Ka'an Biosphere Reserve, Mexico's largest coastal protected area.

## NÔMADE ROOMS

In the design and operation of our hotels, we create a balance between the innate human experience and the natural world. Our architectural structures are designed to preserve the integrity of the environment.

## NÔMADE TULUM RESTAURANTS

We've transcended the old concept that formal dining is necessary to enjoy exquisite food, encouraging gatherings in relaxed surroundings. At Nômade, we encourage optimal health through reciprocity, celebrating dishes that honor food as a resource from nature, highlighting the abundance of locally-sourced produce and the simplicity of high-quality ingredients.

MACONDO

Our most inspiring space featuring daily live music, Macondos plant-based concept in an intimate atmosphere with Moroccan seating.

LA POPULAR

Beach Restaurant  
Open-air beachfront restaurant inspired by the local fish market. Menu changes daily with fresh catches from local fishermen.

KUU TULUM

Japanese Expression  
Reflects the connection between space, emptiness and unlimited creativity. Offers a Japanese Omakase culinary experience led by Chef Hirokazu Sato.

## OUR WELLNESS SPACES & PROGRAM
